PERSONAL BIO:

I am a happy and motivated worker, always looking for internal room for growth and a new challenge. I currently work remote for a medical staffing firm and wish to branch out into a Web Development career. My skills include HTML, CSS, JS, mySQL/PHP, Wordpress, Bootstrap, JQuery, data entry, credit card reconciliation, several various reporting skills/software skills, excel, outlook, word, and various other office and healthcare skills.

EXPERIENCE:

VISTA Staffing Solutions   **09/2017 - Present**
Salt Lake City, UT
Role: Credentialing Administrator

I was promoted a year after being hired to support our Texas and Georgia offices. My job responsibilities shifted from Credentialing/Privileging, to several various company reports, CV generation, database management, credit card reconciliation, with many other daily tasks.

VISTA Staffing Solutions   **04/2016 - 09/2017**
Salt Lake City, UT
Role: Credentialing Coordinator

My role as a Credentialing Coordinator entailed Physician credential verifications, both internally and externally. I would partner with our various clients nationally to assist in gathering these verifications, completing state/site required paperwork, and other clinic specific requirements to grant and issue privileges.

Columbia Cottage   **02/2015 - 03/2016**
Hanover, PA
Role: CareGiver

After relocating to Pennsylvania, I started working as a Caregiver, an equivalent of a Nursing Assistant. My move role included personal care, medication administration, cleaning, and many other responsibilities in the Geriatric capacity.

Pearl Health Group Homes   **02/2011 - 01/2015**
Idaho Falls, ID
Role: CareGiver
